Workshop Title: Behold the (Not So) Humble Slub!  
Length: 3 or 6 hours

### Description:

Remember those early yarns you spun that were full of slubs? Well, you can learn how to make slubs on purpose and then some ways to spin them into amazing art yarns that are far more than just humble slubs!

Student skill level: Advanced beginner to intermediate spinners. Student must know their wheel and be able to spin both directions comfortably.

Maximum # students: 12

Student materials fee: \$15

Instructor will supply: Fibers for spinning, class notes and folder.

Students will bring: Wheel in good working order. Three empty bobbins, lazy kate, niddy-noiddy, wheel oil (if needed), pencil or pen.

Room needs: Two tables for samples and supplies, chairs, and good light.

### SHORT BIO:

Peggy Doney began spinning because of a neighbor's wheel and now is rarely seen without a spindle or a wheel at hand. The creative process of fiber gliding through her fingers is what makes her heart sing. She is always seeking something new to learn at her wheel or in the dye kitchen and believes that new adventures are best shared with others.
